ADDITIONAL PROGRAMS

Contact the Manitowoc County Recycling Center at 683-4333 or visit our website at **www.manitowocrecycles.org** to learn more.

ELECTRONICS RECYCLING: Recycle your computers, TVs, bulbs, batteries, cell phones and other electronics. These items contain both hazardous and useful materials and should be properly recycled.

COMPOST AND YARD WASTE: Quality composts and woodchips at a reasonable fee, free materials also available! Deliveries to your area! Yard waste drop off sites to accept your compostable yard wastes items.

MERCURY REDUCTION : Help keep this toxic material out of our water, air and soil. This free program accepts mercury containing items. Exchange your thermometers for one digital fever thermometer!

HAZARDOUS WASTE CLEAN SWEEP: Held for a day in the middle of May. This is the proper way to dispose of oil based paints, solvents, pesticides and other hazardous chemicals.

EDUCATIONAL OUTREACH: A free service to promote recycling in Manitowoc County. Free information and tours are available.

TIRES COLLECTION: Each September tires are collected for a small fee. Old tires can be reused and do environmental harm when left in stockpiles for a long time.

PHARMACEUTICAL COLLECTIONS: Programs held throughout the year to help you safely dispose of unwanted medication without flushing them or throwing them in the garbage.

For Questions call 920-683-4333 or visit our website at: www.manitowocrecycles.org
